**Main characteristics/features**

Khao Yai Wine consists of white wine, red wine, rose wine and sparkling wine made from fermented fresh grapes. The wine from the area has a clear colour, smell and palate reflecting its variety of grapes. Khao Yai Wine is made from a grape variety which is planted, harvested and processed in line with wine making standards.

**Geographical area**

Nakhon Ratchasima province.

**Production/processing**

**Link between product and territory**

The area of Khao Yai Wine's production is in the northern part of Khao Yai National Park, approximately 300 masl or even higher. The mountains offer protection from strong winds and storms. There is underground water and good subsoil. The climate in this area is cool and dry during harvest time. All these factors make grape cultivation in this area perfect for producing Khao Yai Wine.
